## *Noteworthy*

# Thank you!

The Women's Bar Foundation would like to thank everyone who joined us at Comedy Night last week to support women, families, and elders in need of legal assistance. Each year, without fail, our incredible community of supporters comes together to ensure that the WBF has the resources to respond to more than 2,000 individuals in need.

As WBF client, Kristin, so eloquently explained, the support of an attorney can make a world of difference for a client facing a challenging legal battle. When Kristin needed to keep her young son safe from his abusive father, WBF staff attorney Laura Burnett was there to provide the legal expertise and advice that helped Kristin secure the custody order she needed. With her legal issues resolved, Kristin is now able to move forward. She is working towards a master's degree in social work and has become an advocate for domestic violence survivors, working with state legislators to create greater protections for survivors of abuse.

A special thank you to....
